I. JOINT STIPULATED MOTIONS

1. **Regarding Consolidation of the two cases:**

For good cause shown and pursuant to LCR 16(b)(6), plaintiffs Melissa White, Roger White, Killian White and Damon White and defendants King County, Tyler Hunt, Jeffrey Petrenchak, Enrico Donaglia, Steven Minters, and Mitzi Johanknecht, respectfully and jointly move the Court for entry of an order consolidating both cases, referred to herein as the “Melissa White” case and the “Killian White” case. The parties jointly request that the Court issue a Case Scheduling Order that comports with the current deadlines in the Killian White matter, with the trial date currently set to commence on April 20, 2026 (as stated in the Honorable Court’s Order in White, et al. v. King County, et al., WAWD No. 2:24-cv-00618-JHC at Dkt. 91) and to reset all remaining pre-trial deadlines.

Counsel for the parties and plaintiffs have been working cooperatively in discovery, have conferred and agree that good cause exists to consolidate the two cases now that Killian White has served King County Defendants.

With consolidation, the parties also agree to the following:

- a) The Electronically Stored Information agreement (“ESI”), currently in place in the Melissa White matter, also applies to the Killian White matter.
- b) Killian White agrees to strike all pending discovery, including Requests for Admissions, Requests for Productions, and Interrogatories. King County agrees that all discovery previously disclosed in the Melissa White case is relevant and

applicable in the Killian White case, including Requests for Admissions, Requests for Productions, and Interrogatories.

## 2. Regarding Plaintiff's Motion to Compel

Plaintiffs of the Melissa White Case have filed a motion to compel documents contained in two privilege logs issued on April 23, 2025 and May 20, 2025, primarily containing emails pursuant to plaintiffs' Request for Production of Documents and Things Set Three. King County Defendants agrees that those emails, previously withheld and documented in the two privilege logs, are discoverable after review of the Court's order at Docket 92.

Pursuant to this agreement, Plaintiffs strike Dockets 97 and 98 as the issues have been resolved.

*I certify that this memorandum contains 341 words in compliance with Local Civil Rules.*

IT IS SO STIPULATED on May 29, 2025.
